Neutral floor cleaner

Product # 0410

### Product Information:

This apple scented neutral floor cleaner and ice melt film remover quickly emulsifies grease and oil while efficiently removing dirt, black heel marks, and other stains on resilient tiles or terrazzo floors. It also contains a safe chelant that removes and sequesters salts and hard water ions. It is perfect to use in locations where sand and ice melting products are being tracked into buildings.

### Directions:

For automatic scrubbers, use 12.5 mL of product per L of water (dilution 1: 80). For mopping and general cleaning, use 20 mL of product per L of water. (1:50).

Safe to use on carpets but it is always recommended to test in an inconspicuous area before use.

### Product Specifications:

State:	Liquid
